Allowable Subject Matter

Claims 1-6, 9, 15-18, 21-25, 31, 36 and 37 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: Claims 1-6, 9, 15-18, 21-25, 31, 36 and 37 are allowed because the references cited fail to teach, as applicant has, a second path search step for detecting respective timings of path components using information symbols derived from a signal demodulated according to the timings detected in a first path search step and pilot symbols of a known phase, and a path search and channel estimation part that recursively implements a path search and a channel estimation by repeating processes of implementing a path search using information symbols that are decoded after a channel estimation and the pilot symbols and implementing a channel estimation using the information symbols that are fed back via the feedback part in accordance with a timing detected in the path search and the pilot symbols, as the applicant has claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
